Reasons for Allowance

1. Claims 35-58 are allowed. The claims will be renumbered as 1-24.
2. The following is an examiner's statement of reasons for allowance: the closest prior art of Koba does not disclose or fairly suggest, among other things, generating a customized photo album page for the set of digital images by applying one or more of the suggested display elements from a database of display elements based at least upon the age information to the page. It is for this reason and in combination with all of the other elements of the claims that claims 35-58 are allowable over the closest prior art of Koba.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
